# SORTED SPACES

PROFESSIONAL ORGANIZING  
+ CONSIGNMENT

# about us.

*Sorted Spaces was founded in 2019 by Brittany Stauts. After meeting with a professional organizer during a corporate relocation, she realized her lifelong tendencies and passions could be an actual career!*

*Quickly, our team and services grew and expanded from Victoria to the entire South Texas region.*

*Our goal is to make your life easier. Sometimes, that means setting up organizational systems to save you time, money, and sanity. We can also run errands, do your laundry, prep your meals, or whatever else it takes to free up your time for the things you love. We look forward to working with you!*

# what we do.

We do what you need done. Every client is  
drastically different and we love customizing  
solutions to make your life easier and  
simpler.

# Professional Organizing

*Our bread and butter! Whether it's a single cluttered closet or an entire home in need of a reset, we're here to bring calm to the chaos. We create beautifully organized spaces that are not only functional but tailored to your lifestyle—leaving you with the kind of home you've always dreamed of.*

starts at \$65 per hour for one  
organizer

# our *Organizing* process.

## **step 1.** *In-Home Assessment*

We begin with a personalized walk-through of your space to understand your goals, habits, and lifestyle.

This helps us create a plan tailored specifically to your needs.

## **step 3.** *Organize and Style*

Once we've edited the space, we implement smart organizing solutions and style each area with care—think functional systems that are also beautiful.

## **step 2.** *Declutter and Sort*

Together, we review your items and decide what to keep, toss, or donate. We handle removals, donations, and help make the process stress-free.

## **step 4.** *Maintain and Support*

We leave you with tips, tools, and systems to keep things running smoothly—and we're always just a message away if you need a refresh down the road.

# Relocation

Moving doesn't have to be overwhelming. From packing and labeling to overseeing movers and setting up your new space, we manage every detail of your move with care and precision. Whether you're downsizing, upgrading, or just moving across town, we ensure a seamless transition—so you can walk into your new home feeling settled from day one.

# our Relocation process.

## **step 1.** Pre-move Planning

We begin with a walkthrough and consultation to understand your timeline, priorities, and logistics. Then we create a customized move plan that keeps everything on track and stress-free.

## **step 3.** Packing and Labeling

Our team professionally packs your items using smart systems and detailed labeling—ensuring everything arrives safely and is easy to unpack on the other side.

## **step 5.** Unpack & Settle In

Once you're in your new home, we unpack, organize, and style your space so it's functional and beautiful from the very first day.

## **step 2.** Declutter + Prep

Before a single box is packed, we help you edit what you own—so you're only moving what you truly love and need.  
We coordinate donation pickups, junk removal, and more.

## **step 4.** Move Day Management

We're there to oversee movers, manage logistics, and troubleshoot any surprises. You won't have to lift a finger—we handle it all.

# common questions

what makes Sorted Spaces different?

We combine luxury-level service with practical systems that truly last. Our team is professional, discreet, and detail-obsessed—and we tailor every solution to fit your lifestyle, not just your space.

do you do large or small scale projects?

Both! Whether it's a single closet or an entire estate, we're equipped to handle projects of any size with the same level of care and expertise.

i need to declutter first

Nope—we'll help with that! Decluttering is a key part of our process, and we'll guide you every step of the way. You don't need to lift a finger before we arrive.

i am very private + worried about people going through my stuff.

We completely understand. Our team approaches every project with professionalism, discretion, and zero judgment. You're always in control, and nothing leaves your home without your permission.

# common questions

how does choosing product work?

We source and recommend organizing products that fit your space, style, and budget. You'll approve everything before we purchase, and we handle all the shopping, returns, and installation for you.

how many workers are coming to my house?

It depends on the size of your project, but typically 1 to 3 team members. We'll let you know in advance who's coming and when—so there are no surprises.

how do I know that my most important items are being handled carefully?

We treat your belongings with the same care we'd give our own. Fragile or high-value items are packed, labeled, and handled with extra attention—and you're always welcome to flag anything you'd like us to take special care with.

professional organizing is new to me. what can i expect on install day?

Install day is when the magic happens! We'll arrive with any approved products, set up your organizing systems, and style each space. You'll come home to a fully transformed area—beautiful, functional, and ready to use.

# common questions

do i have to buy new product?

*Not at all. We're happy to work with what you already have, or we can recommend new items to elevate the space. It's completely up to you—our goal is to create systems that work for you.*

what forms of payment do you accept?

*We accept credit cards, debit cards, ACH bank transfers, and checks. Payment is due at the time of service unless otherwise arranged.*

i am ready now. how soon can you get me in?

*Our schedule varies, but we'll do our best to accommodate you as soon as possible. Reach out, and we'll find the earliest opening that fits your needs!*

we are in the middle of a remodel, can you still help me?

*Absolutely. We're happy to work around your remodel—whether it's planning systems in advance, organizing finished areas, or helping you prepare for move-in day. Just let us know what stage you're in, and we'll tailor our support accordingly.*

# pricing.

*Every project is unique, so we offer customized quotes based on your space, goals, and timeline. Hourly rates and package options are available, with a minimum session requirement. We'll walk you through all pricing details during your consultation—no surprises, just clear expectations.*
